

Invitation to the International Hoof Trimmers Meeting 2018 (October 5th to 6th) in Billund, Denmark

Meet us at
Hotel Legoland

Just 3 km from
Billund Airport

In 2018 there are, so far, planned the following topics:

- Workshops with practical hoof trimming
- Low-stress-stockmanship
- Newest research in digital dermatitis
- Presentation on Japanese hoof trimming competitions
- More to come...

The event will be held at Hotel LEGOLAND in Billund, which also gives you the opportunity to take your family for a visit to LEGOLAND Park and/or Lalandia Water Park. In general, the meeting will give hoof trimmers and veterinarians from all over the world the chance to meet each other. The language will be mainly English; however, there will be arranged simultaneous translations to and from the Danish, German and Chinese languages at the lectures and presentations. Attendees with other language requests, please contact us for further arrangement. We will announce the languages translated in the beginning of 2018.
